School Year 2009-2010

7th Grade Entrance

Dear Parent:

Your child **will not** be allowed to enter school in August, 2009 unless he/she has a completed physical exam form and an immunization record with the required vaccines from the doctor (per State Law). **All students entering 7th grade are required to have a PPD with results.**

Please call your doctor now for an appointment and have the forms filled out when you go.

If your child has had a physical exam anytime in the last year, please have your doctor fill out the forms. Your child does not need a new exam.

If your child plans on playing a sport for the 2008-2009 school year, he/she **MUST** have a current physical exam.
